

YOGIC WISDOM FOR A CHANGING WORLD

The Tradition of the Himalayan Sages

through the teachings of Yogiraj Achala, from Minneapolis, MN

May 8-9, 2009

Yogiraj Achala is a 39 year disciple of HH Sri Swami Rama of the Himalayas, was ordained as a Brahmin priest in 1972 and was installed in the lineage of the Tradition of the Himalayan Sages by his master in 1984. He is the author of Ransoming the Mind: The Integration of Yoga and Modern Therapy and Pigs Eat Wolves: Going Into Partnership With Your Dark Side. You have two opportunities to experience ancient yogic wisdom through the voice of an authentically American Yogi.

SATYAM

Ceasing the Interruption of Perfection

There is little written about the path of Satyam Yoga. As The Path of Truthfulness, Satyam Yoga is a revealed teaching that is powerful in its outcomes. Yogiraj has integrated many levels of this path into his spiritual practice, teaching, and lifestyle. Whether you are curious or convinced, Yogiraj will show you the gateway to the treasures of truthfulness for your personal, relationship and spiritual life.

A Moving Experience

**Yoga, The Mythic Quest
and Dance**

The yogi explores philosophies and processes which serve as maps to full awareness. When one has a direct experience with something significantly greater than themselves, a channel is opened. As the experience unfolds, she continues to reinvent herself in profound ways, creating a thirst for a mythic quest. Learn of The Mythic Quest with Yogiraj and come away with a broad range of insights for deepening the experience of living and being. Transformational Movement with Roger Sams supports you in making connections among meditation, movement and the mind.
